**Re: WC Docket No. 03-194 – Application by Qwest Communications
International Inc. for Authority to Provide In-Region InterLATA
Services in the State of Arizona**

Dear Ms. Dortch:

Yesterday, Dave Teitzel of Qwest Communications International Inc. (“Qwest”) and I spoke by telephone with Cathy Carpino to summarize the process Qwest used to classify UNE-Loop and UNE-P lines as “business” or “residential” in Arizona. Our discussion was consistent with the information already included in the record in this proceeding.

The 20-page limit does not apply to this filing. Please contact the undersigned if you have any questions concerning this submission.

Respectfully submitted,

Hance Haney
